

Zone 29 and 30 Rotary Foundation Award Recipients

The Rotary Foundation Citation of Meritorious Service:

One Rotarian from each district may be recognized with the Citation for Meritorious Service by the Trustees each year. Nominations are solicited from district governors and RI Directors. The award shall only be given for demonstrated active service to Rotary's Foundation over a period of more than one year (thus, one who has only contributed financially, however notably, to the Foundation would not be eligible.) Once a person has received the Citation for Meritorious Service, he or she is not eligible to receive it again.

The Rotary Foundation Distinguished Service Award:

Four complete Rotary years after receiving the Citation for Meritorious Service, a Rotarian becomes eligible for the Distinguished Service Award. Because this is the Foundation's highest service recognition, a recipient's exemplary service to the Foundation must extend beyond the district level and over an extended period of time.
